

THE ATTLAS COLLECTION OF ALUMINIUM DOORS

Who are Atlas?

We are specialists in the fabrication and supply of quality aluminium front and back doors.

All our aluminium products seamlessly combine desirable designs with efficient energy ratings and sophisticated security features making them exceptional products to offer your clients.

If you are an architect, builder or trade installer **Atlas Doors** are your perfect choice.

DOOR FEATURES

- Made to Measure**
 All of **Atlas** products are tailor-made to your exact requirements. Built in our London factory using high tech machinery and skilled craftsmen. We offer a virtually unlimited number of styles and options including side and top lights.
- Modern Styling**
 The broad range of **Atlas** aluminium door panels have been developed particularly with modern and contemporary homes in mind. Their elegant lines providing the perfect design statement for houses and apartments.
- Strength & Longevity**
Atlas aluminium doors are built to last: Constructed using 1.5mm powder coated aluminium sheets. Superior in every way to traditionally built composite doors - **Atlas** panels won't split, bow, warp or crack. Short of a wipe down occasionally with warm soapy water- they are completely maintenance free.
- Thermal Efficiency**
 The **Atlas** range of doors are equipped with an insulated 32mm panel incorporating a polyamide thermal barrier. Two 1.5mm powder coated sheets bonded to an A-rated CFC free expanded polycore complete the door system.

Incorporating stylish panels in any colour **Atlas** doors offer the best combination of thermal efficiency, noise reduction and weather resistance.

Thermal Breaks:

- Structural polyamide design sections are in place to insulate the internal and external aluminium profile in both the outer framing and door sash.
- High quality powder coating in a range of colours completes the slim sightlines of the finished product.

DOOR SECURITY

All of our **Atlas** doors carry a hardware guarantee of 10 years. They are manufactured to exacting tolerances - making sure that the combined system features of framing, panel and hardware provide an unmatched level of security.

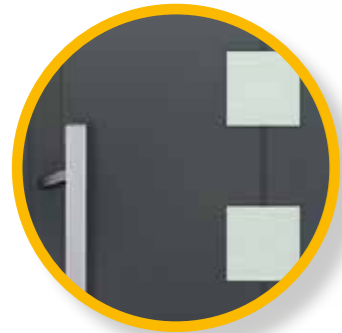

- All of the range of doors have multi-point locking systems. With a combination of the best handle ranges and easy operating lock cylinders your guaranteed the ultimate in home security and complete peace of mind.
- Our Platinum 3 Star cylinder has been independently tested and awarded the BSI Kitemark TS007-2014. Highly secure, meeting the Secured By Design standards - We are guided by the U.K. flagship initiative to build products that deter crime through design principles.

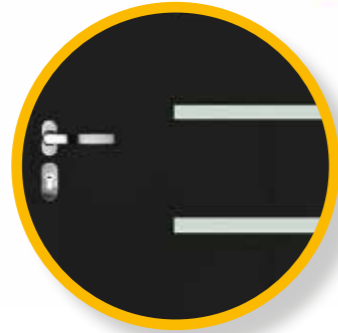

COLOUR RANGE

Our **Atlas** doors are available in colours to suit any property and any taste. With over 150 RAL options the choice is all yours. Flawlessly finished in high quality powder coat we invite you to express yourself and make your home stand out.

STANDARD COLOURS
